Masters Degree Program Description The Masters of Arts in Bilingual Legal Interpreting for English-Spanish is the only graduate program in the United States which offers the opportunity to receive the education and training required and expected of a professional degree-holding legal interpreter. The program is a comprehensive, sequenced, and integrated series of courses designed to provide the student with the theoretical foundation, performance competencies, and research skills required of a graduate entering this growing profession. The curriculum consists of 14 courses (42 credits) which can be completed over a two-year period. Eight of the ten courses must be completed at the University of Charleston during two full summers. The teaching faculty who are invited to teach during the summer sessions are among the most qualified professors of interpreting and professional interpreters in North America. The remaining two core courses, a practicum in legal settings and an internship as an apprentice interpreter, may be completed in a court jurisdiction of the student's choice. Four remaining courses may be taken at another university, subject to approval by the program director, and applied to the program as transfer credit.

Certificate Program Description This certificate program, comprised of existing courses within the present master's program, will provide the means by which students enrolled in other language oriented graduate programs, as well as other interpreting and translating professionals, can attain the foundational skills in legal interpreting in an abbreviated time frame, generally in one full summer. Students in the program will take four of the courses regularly offered during the summer session.
