Supreme Court of Nevada ADMINISTRATIVE OFFICE OF THE COURTS

KATHERINE STOCKS Director and State Court Administrator

JOHN McCORMICK Assistant Court Administrator

Application for Funding of a Specialty Court

OVERVIEW:

Specialty Courts are judicial problem-solving programs designed to address the root causes that contribute to criminal activity. Nevada's Specialty Courts receive State General Fund Support.

ELIGIBLE APPLICANTS:

All courts are eligible to apply for Specialty Court funds. A Specialty Court is defined as "a program established by a court to facilitate testing, treatment, and oversight of certain persons over whom the court has jurisdiction and who the court has determined suffers from a mental illness or abuses alcohol or drugs." Although any court may apply, all requests must meet the minimum criteria.

DEADLINE FOR SUBMISSION OF APPLICATION:

Application requests must be received by January 31, 2025. Requests received after January 31, 2025 may be denied.

PROCESS:

- Each application must include the applicant summary, cover sheet, budget worksheet, budget narrative, program handbook, and program design. The budget narrative must identify the reason for the budget request and how you arrived at the amount requested. Applications lacking the requested information may be denied. It is encouraged that all materials be emailed to sgouveia@nvcourts.nv.gov.
- The AOC will review, compile and submit funding recommendations for all programs that meet the minimum criteria to the Specialty Court Funding and Policy Committee for review.
- The Committee will strive approve the funding recommendations at or by the end of April 2025.
- If you have any questions, please email Stephanie Gouveia at sgouveia@nvcourts.nv.gov or call (702) 486-9395.

CHECKLIST (items required in an application to the AOC):

- Section A: Applicant Summary and Application Cover Sheet (for all programs)
- Section B: Budget Worksheet (for all programs)
- Section C: Budget Narrative (for all programs)
- Section D: Program Design (for all programs)
- **Program Handbook** (for all programs)

SECTION A APPLICANT SUMMARY

SECTION C BUDGET NARRATIVE

The budget narrative and worksheet definitions must be completed. Copies of the program handbook must be submitted with the application, but not in lieu of completing any of the questions.

Budget Narrative (for new and existing requests). Provide a brief description of the program and services you are providing.
Please explain how your program handles participant payments.
How much do you collect from each participant?
If you do not collect any participant payments, please explain why.
How do you expend participant payments? For example, participant payments are rolled back into the program to cover the salary for the specialty court coordinator.
Does your program receive an appropriation from the City or County? YES NO If yes, answer the following: How much?
How are the funds going to be expended or how were they expended in the previous fiscal year?

	O YES	O NO	If yes, answer the following:
	Type of funding (gran	nt, or other)	
	How are the funds g	oing to be expended	1?
	What is the expiration	n date?	
	Was there a match re	equirement? If so, h	ow much?
Profes	ssional Services (Co	ntract)	
110,68	Counseling (ASAM NAC 641C. Counse specialty court invol	Levels of Care 1 and elors serve as the payer vement. Counseling	and 2.1) must be provided by a certified or licensed counselor per NRS 641C or articipant's primary clinician providing assistance throughout the participant's g is a professional service that must be procured by a contract or provided requisite certification(s). <i>Include the following:</i>
	What is the contract	or's name?	
	Please list all service	es to be rendered.	
	How many participa	nts will be served?	
	What is the cost per p	participant?	
	What is the total amo	ount requested for p	rofessional services counseling?
	Residential Housing Include the following		urts only). Housing is a professional service and must be procured by a contract.
	What is the contracte	or's name?	
	Please list all servic	es to be rendered.	

Have you tried to obtain funding through other sources such as federal grants? Do you have any other funds the program

receives?

How many participants will be served?
What is the cost per participant?
What is the total amount requested for residential housing for your Mental Health Court program?
Residential Treatment (ASAM Levels of Care 3.1 and 3.5). Must be clinically justified and approved by the specialty court judge. These levels of care may consist of withdrawal management and must consist of clinical-based programming, including individual and group counseling and other ancillary services. Include the following:
What is the contractor's name?
Please list all services to be rendered.
How many participants will be served?
What is the total amount requested for residential treatment?
rug Testing Supplies are considered short-term use items with a life cycle of one year or less. Please identify the type of testing supplies you are purchasing with this award.
What is the cost per unit?
What is the average number of times each participant is tested during the fiscal year?

Drug Testing Equipment has a life cycle of greater than one year. Most common would be the purchase of breath testing equipment or instrument to test urine. Include the following:
Please identify the type of equipment you are purchasing.
Provide an explanation as to why the equipment is needed.
What is the total amount requested for drug testing equipment?
Drug Testing Confirmation is a second analytical procedure performed by a certified laboratory on a drug test to identify results. Include the following:
Please provide the name and address of the certified laboratory that provides your confirmations.
Who pays for the confirmation (Court or participant)?
How much does a confirmation cost?
What is the average number of confirmation tests per month?
What is the total amount requested for drug testing confirmation?
Electronic Monitoring is primarily used to monitor DUI Court participants. Include the following: What is the contractor's name?
What is the projected number of participants who will utilize an electronic monitor?
What is the total cost per participant (daily cost times the total number of days)?
What is the total amount requested for electronic monitoring?

What is the total amount requested for drug testing supplies?

Salary & Benefits

Staff involved with overseeing and or working directly as a team member. This category includes personnel who are dedicated 100 percent to the specialty court program and paid by the program. This excludes the judge and positions paid by the city/county/state. Personnel is considered to be an employee who aides in testing, assists participants with life skills, provides probation type services to participants, and may include personnel that provides clinical treatment to participants. Also included in this category are part-time contract personnel. Please note that there is no limit on how much funding may be used per court to pay for personnel who are not already paid for through city/county/state funds; however, funding must first be used on professional services such as counseling, drug testing, and housing for participants. *Include the following for each position:*

for each position: What is the position title? (include full or part-time)
What are the job duties?
What is the total amount requested for this position?
What is the position title? (include full or part-time)
What are the job duties?
What is the total amount requested for this position?
Operating Supplies Total of all items (office supplies, rent, postage, telephone, printing, copying, etc.). Generally, supplies include any materials that are expendable or consumed during the course of one year. Maximum allowed is \$2,400 per year.
What is the total amount requested? Please list items to be purchased with the award amount.
Bus Passes and/or transportation vouchers are typically pre-purchased and are for distribution to participants in need of transportation to/from court, treatment, or their place of employment. Maximum allowed is \$10,000 per year.
What is the total amount requested? Please list items to be purchased with the award amount.

•	cake, and pizza. <i>Maximum allowed is \$5,000 per year.</i>

SECTION D PROGRAM DESIGN

Please address the following items:
Statement of Problem
Please identify the specific problem or need that will be addressed by this program.
All specialty courts should be based to some extent on the drug court model developed in the late 1980's. The drug court model has ten key components that are listed within the data dictionary. Other types of specialty courts may not have every one of these characteristics, but they will substantially follow this model. If applying for funding for a new or existing specialty court, please complete the following:
Service Delivery Plan Please explain how the Court will provide treatment.
PROGRAMS MISSION AND GOALS, all goals must be measurable. (Key Component#1)
Please define your program's mission.

	Define your program's goals.
	Describe any barriers to meeting these goals.
PROC	GRAM LENGTH (Key Component #4)
	What is the minimum and maximum length of the program?
	Are there treatment phases? If yes, please list each phase, the length of each phase, and what is provided within
	each phase.
	If phases are not used, explain how a participant progresses through the program.
	What was the consistency of face and this end along the constant of the consta
	What are the requirements for completing each phase or progressing through the program (e.g., the number, type, and frequency of drug tests, attendance at support groups, etc.)?

What are the eligibility criteria?
SCREENING AND ELIGIBILITY (Key Component#3) Describe the process for identifying eligible participants according to established program criteria.
At what point in the case process does the initial eligibility screening occur?
Who conducts the initial screening of offenders and who determines eligibility?
What instrument is used to assess risk and needs for the target population? How are the outcomes used for program of track placement?
TARGET PONIA ATION (V. G. 1992)
TARGET POPULATION (Key Component #3) What is the target population?

UDIC	TAL INTERACTION (Minimum Criteria #1)
	Who presides over the program, e.g., judge and/or judicial officer appointed by the court?
	What day and time of the week does the specialty court have status review hearings?
	How frequently does the participant appear before the judge for status review hearings?
DRUG	G TESTING PROTOCOL (Minimum Criteria #4)
	How frequently are participants required to submit to a drug and/or alcohol test?
	Who or which agency administers the drug and/or alcohol test?
	What type methodology is used, e.g., urine, saliva, hair, sweat patch, etc.?
	How is randomization effectuated?
	How are test challenges handled?
	Who pays for a test challenge/confirmation?

For existing programs, have the demographics or caseloads of the program changed since its inception?

DRUG C	OURT TEAM (Minimum Criteria #3)
	es your program have a team? If so, list the members on your team, e.g., judge, defense, osecution,, counselor, parole and probation, etc.?
WI	nat are the roles and responsibilities of each team member?
Are pha	IENT CONTINUUM AND PLAN (Minimum Criteria #6, #7) The participants required to attend regular counseling sessions? Identify how often they attend during the respective uses of the program or if clinical services are individualized, allowing for the clinician/agency to determine quency, duration, and intensity?
Are	e the clinicians who are providing all ASAM levels of care certified or licensed per NRS 641C or NAC 641C?
WI	hat ancillary services are available to participants, e.g., career counseling, GED classes, etc.?
	ll aftercare/transition planning be provided to participants? If yes, describe what type of aftercare/transition planning l be provided.

GRADUATION REQUIREMENTS (Key Component #6) Describe the graduation requirements. EXPULSION CRITERIA (Key Component #6) Describe the criteria for terminating a participant from the program. MONITORING AND EVALUATION ASSESSMENT (Key Component #8) What methods of data collection will be utilized by this program to track participant data and to provide case management services and outcome evaluation? How does your court plan to evaluate the specialty court program, in order to achieve its goals and objectives?	SANCTIONS AND INCENTIVES (Minimum Criteria#8) Please list the sanctions and incentives that are used (include a description of when and how they are used).
EXPULSION CRITERIA (Key Component #6) Describe the criteria for terminating a participant from the program.
