3 **Rule 29. Stipulations About Discovery Procedure**

4 Unless the court orders otherwise, the parties may stipulate that:

5 (a) a deposition may be taken before any person, at any time or place, on any  
6 notice, and in the manner specified—in which event it may be used in the same way  
7 as any other deposition; and

8 (b) other procedures governing or limiting discovery be modified—but a  
9 stipulation extending the time for any form of discovery must have court approval if  
10 it would interfere with the time set for completing discovery, for hearing a motion,  
11 or for trial.
