1 **NRCP 5.2 – Proposed**
2 **(Subcommittee note to the Committee)**

3 FRCP 5.2 governs privacy protections for filings made within the federal
4 courts. It is largely duplicative of the Nevada Rules for Sealing and Redacting
5 Court Records (SRCR), NRS 62A-H, NRS 63, NRS 122-130, and NRS 239B.030,
6 among others. Per guidance from the Committee, the federal rule was rejected but
7 because the SRCR’s coverage is broader than the NRCP, Rule 5.2 was modified to
8 direct practitioners who may be looking for Rule 5.2 to the SRCR.
