

Court Challenges

2019 Case Study

#1 Graduating participants from Phase I + transitioning into Phase II

#2 High Positive UAs throughout Phase I

#3 Recurring Jail Sanctions impacting participant success rates

Program Objectives

Shorten Phase I

Using graduated levels of accountability through **AIR Mobile** and **AIR Connect** as a sanction & incentive for progress

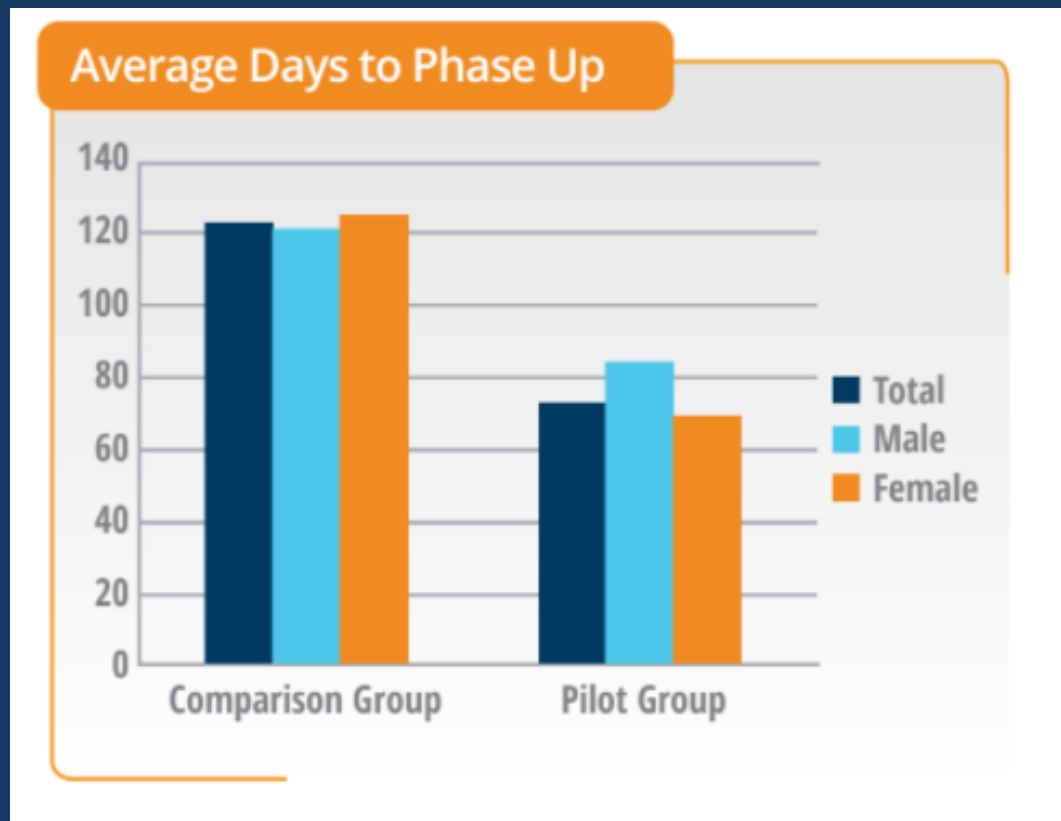

Decrease +UAs

Using **AIR Supervisor App** for calendar reminders to ensure appointments and treatments were attended

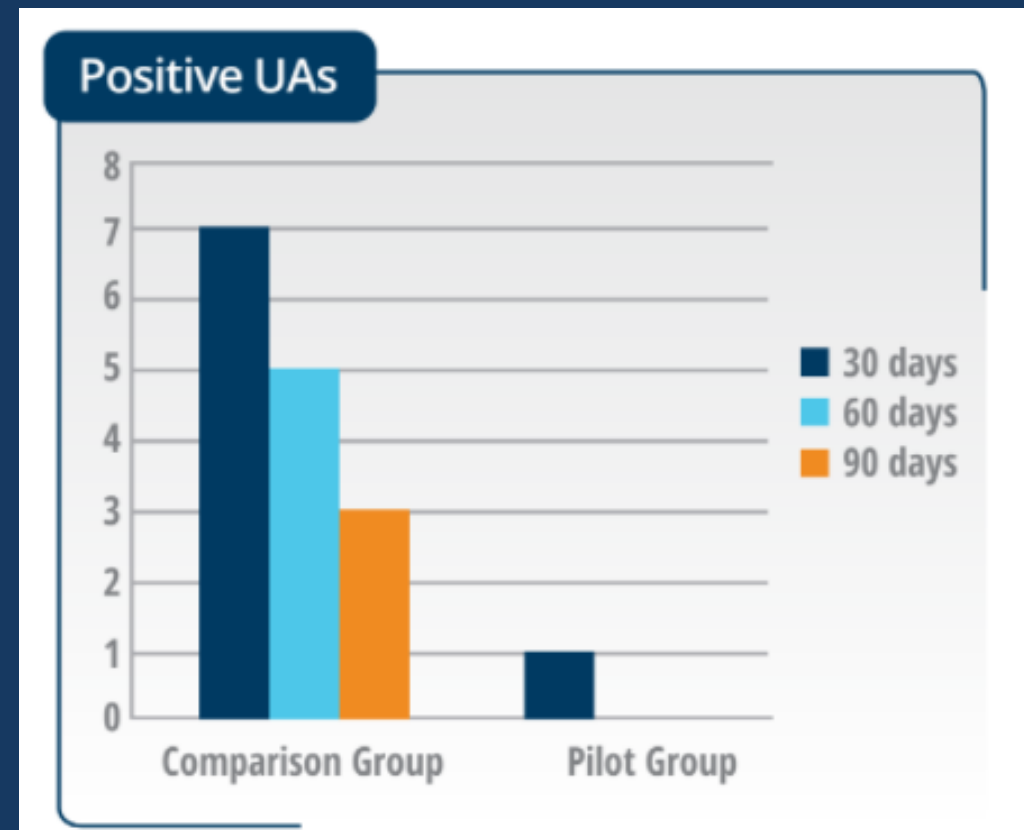

Reduce Jail Sanctions

Using the **AIR Supervisor** and **AIR Support** for GPS monitoring and 24/7 call center support

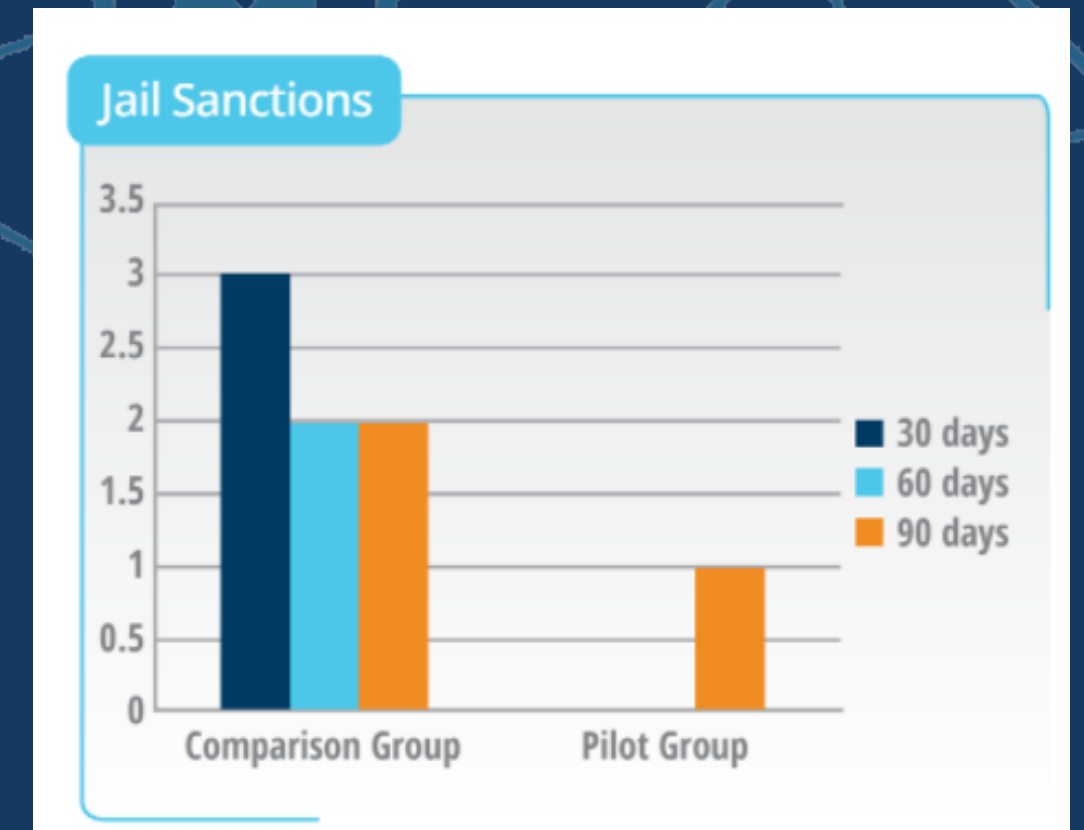

Program Results

40% Increase
Phase I Graduations

93% Reduction
Positive UAs

70% Reductions
Jail Sanctions
