Desire to continue remote work opportunities

Adequacy or lack of staffing formulas

Nevada Strategic Campaign

**MANY PATHS
ONE DESTINATION**

Strategies

Simplify and improve public access to the courts while continuing to ensure that all parties are treated fairly.

Support sustainable and user-focused court innovations to improve the delivery of court services.

Develop methods for Nevada courts to be supported by both sustainable funding and appropriate judicial, personnel, and technological resources at all levels of the Branch.

Public Access

Increase digital equity through reliable broadband in all trial courts.

Broadening and streamlining the availability of self-help resources through a single statewide portal.

Creating guided interviews and common forms for statewide acceptance.

Sustainable Innovation

Implement a modern statewide CMS available to all trial courts with reasonable licensing fees.

Implement a mandatory statewide e-file system at no cost to litigants.

Implement a no-fee, publicly accessible, online tool to view statewide case information.

Explore options for the AOC to provide additional technical assistance to the trial courts.

Appropriate Resources

Explore opportunities to alleviate reliance on fee funding.

Assess sufficiency of staffing for judicial officers and court employees.

Explore AOC assistance to courts in staffing standards and employee development.

Support sustainable specialty courts.

Public Access

AB116: To make a traffic solution viable, the limited jurisdiction judges agreed to a common fine schedule, what else needs to be implemented to ensure we're disposing traffic cases and improving options for individuals to resolve their ticket?

Public Access

A faint, stylized image of a pair of scales of justice is visible in the background, centered behind the text. The scales are rendered in a light blue color, matching the overall theme of the slide.

Our goal is to have our judges presiding over cases at their highest and best use. Pro pers often submit incomplete or legally insufficient pleadings.

Q: What are the most common case types or pleadings that should have comprehensive educational materials for self represented litigants?

Sustainable Innovation

Two goals:

1. Make the court's job easier
2. Access to Justice

What does this look like in your court over the next three years?

Appropriate Resources

During the focus groups and workshop, rural courts stressed their difficulties associated with county-provided IT resources and personnel.

Q: What is your vision, if any, for centralized IT support in the future?
