Permanent Regulation P2023-01: The NDEP is proposing to amend Nevada Administrative Code (NAC) 445B.22097 by adding language that pertains to notifications made by the agency to the public about events where the ambient air quality standards may be exceeded and about health hazards associated with these events. If adopted, this regulation will be sent to the U.S. Environmental Protection Agency for approval into the Nevada State Implementation Plan (SIP).

Permanent Regulation P2023-02: The NDEP is proposing to amend the language of NAC 459.953451. It is necessary to amend the regulation to improve efficiency in administering the Chemical Accident Prevention Program and minimize the resources needed.

Permanent Regulation P2023-03: The NDEP is proposing to repeal the regulations for the administration and enforcement of the Alternative Fuels Program codified in NAC 486A.010 to NAC 486A.250, inclusive. On May 29, 2019, Senate Bill 42 repealed Nevada Revised Statute (NRS) 486A.010 to 486A.200. The repealed statutes provided the statutory authority to administer the Alternative Fuels Program pursuant to NAC 486A.010 to NAC 486A.250, inclusive. NDEP is proposing to repeal NAC 486A.010 to NAC 486A.250, inclusive. Repealing these regulations would resolve the inconsistency between regulatory requirements and statutory authority and prevent confusion.

The proposed amendments and related materials are available on the NDEP website at: <https://ndep.nv.gov/posts>. A copy of materials relating to the proposed regulations may also be obtained at the workshop or from Andrew Tucker at NDEP, 901 S. Stewart Street, Suite 4001, Carson City, NV 89701; (775) 687-9499; or e-mail atucker@ndep.nv.gov. Members of the public who are disabled and require special accommodations or assistance at the meeting are requested to notify Andrew Tucker no later than 3 working days before the workshop. This notice has been posted on the official State website, the Nevada Legislature website and the NDEP website, at the NDEP offices in Carson City and Las Vegas, at the State Library in Carson City and at County libraries throughout Nevada.
